**NEWSLETTER**

**OCTOBER 2005**

## **WEBSITE**

There are a number of events, schedules and dates in this newsletter. Unfortunately the slowness of the printed word keeps it at least 3 weeks behind your receipt. To keep current right up to the event, go to our website at <http://www.cnype.org> . The site is as up to date as we can make it. **Check it today for current EXPO schedule and registration forms!**

## **President's Message - Mike Hayes, PE**

As I write this in mid-September, the schedule for the 2005 Central New York Engineering Expo is almost firm with just a few speakers to confirm. We have a link to the schedule on our web site. The Expo will be held on Monday, November 14, 2005 at the Holiday Inn in Liverpool. Six PDHs will be offered again this year. Online registration is available **now**. You can also pay by credit card this year.

Right here, in East Syracuse, on October 20, you can earn one PDH by attending a luncheon session on **Design-Build for \$20 which includes lunch**. **Details follow in the next article after this.**

There are also opportunities around the state at <http://www.cnype.org> . There are opportunities to get 19 PDHs through various PE organizations from mid-October through mid-November. The Broome Chapter of NYSSPE is having an Engineering Symposium on October 24 (see <http://www.broomepe.org> for details). NYSSPE is having their annual Fall Development Conference on November 4 & 5 (see [www.nysspe.org](http://www.nysspe.org) or link to it from our web site). Of course, our CNY Expo 2005 will be held on 11/14/05.

This Spring we will offer a multi-track "Mini-Expo", probably with 4 PDHs available, on Monday, May 15, 2006. This Expo will be held in conjunction with the Celebration of Technology Banquet. We plan to offer six or seven "PDH lunches" a year. Counting the Expos and lunches, there will be opportunities for at least 16 PDHs per year sponsored by the CNY PE chapter.

## **SCHOLARSHIPS**

Each year the Central New York Chapter of the New York State Society of Professional Engineers (CNYSSPE) awards scholarships to worthy High School Seniors who will be going to college in an engineering or technical discipline. These young people are judged by an impartial algorithm based on their academic background, scholastic achievements and SAT scores. We are actively soliciting donations from local firms and individuals to support the scholarship fund. Public attribution and appreciation will be publicly expressed in all news releases, The Technologist newsletter and at the annual "Celebration of Technology" dinner. For additional information please contact Carl Fahrenkrug, [carl-f@microwavefilter.com](mailto:carl-f@microwavefilter.com), 438 4722

Thank you in advance for your generosity. Together we can encourage more Central New York young people to choose engineering as a career. Your donation check should be made out to the CNYSSPE Scholarship Fund and sent to:

CNYSSPE c/o Microwave Filter Company, Inc.  
6743 Kinne Street  
East Syracuse, New York 13057  
ATTN: Nancy Young

## **THANK YOU**

We continue to seek donations for your Chapter's Scholarship Fund. The fund is supported by contributions from firms and individuals who take an active interest in the future of our profession. Current contributors include:

- • Associated Builders & Contractors
- • Blasland, Bouck and Lee
- • C&S Engineers Inc.
- • Clough Harbour
- • Klepper Hahn & Hyatt, PC
- • Microwave Filter
- • Ram-Tech
- • Stearns & Wheler
- • Syracuse Research Corporation.
- • Syracuse Thermal Products
- • Watkins Environmental Sciences, P.E., P.C.

## **BOARD OF DIRECTORS MEETINGS**

NSPE members are most cordially invited to attend all board meetings. Meetings are tentatively scheduled for noon on the second Thursday of each month. Those wishing to attend should contact Mike Hayes: (315) 455-2000 ext. 4384; [mhayes@cscos.com](mailto:mhayes@cscos.com) to confirm time and date.
