NY STATE SOCIETY OF PROFESSIONAL ENGINEERS**

NEWSLETTER

OCTOBER 2006

President's Message - Mike Hayes, PE

As a reminder, please mark you calendars for the Central New York Engineering Expo on Monday, November 6, 2006 at the Holiday Inn in Liverpool. Please see the schedule below and on the chapter's web site at www.cnype.org. You have an opportunity to earn six or seven PDHs. The cost will again be \$80, including lunch. I am trying to arrange for a lunch speaker, which would allow us to offer 7 PDHs; 6 will be offered if there is no lunch speaker. The www.cnype.org will provide a link to the online registration site.

Credit cards will be accepted only for online registration. Checks or cash will be accepted "at the door" at the higher late registration fee of \$100.

There was enough interest in my proposed "Electrical Power System Engineering Overview for non-Electrical Engineers" course that we'll offer it next spring. It will probably start next spring in the latter part of April. I'm still a "tax guy" as well as an engineer, so it will be after April 15th.

Calendar

Date/Time	Topic	Speaker	Location	Cost	Contact
10/17/06	Hospital Design	Frederick Saniczawa, P.E.	SUNY Upstate Medical University Syracuse	\$10 With Lunch	Mike Hayes, 455-2000 mhayes@cscos.com
11/6/06	Various	Various	Holiday Inn, Liverpool	\$80	2006 CNY Engineering Expo. 6 or 7 PDH.
Jan 07	TBD	TBD	TBD	TBD	Joint with AIA & ACEC. Meeting @ Ashley-McGraw (tentative). "PDH" dinner.
Feb 07	TBD	TBD	TBD	TBD	Joint with AIA & ACEC. Meeting. location TBD. "PDH" lunch & Engineers' Week meeting.
Mar 07	TBD	TBD	TBD	TBD	Joint with AIA & ACEC. Meeting @ Wyndham (tentative). "PDH" lunch.

CALENDAR (continued)

Date/Time	Topic	Speaker	Location	Cost	Info/Contact
Apr 07	TBD	TBD	TBD	TBD	TBD "PDH" luncheons.
May 07	TBD	TBD	TBD		TBD "PDH" luncheons.

NSPE Meeting Announcement

Topic: HOSPITAL DESIGN

Speaker: Mr. Frederick Sanczawa, P.E.

Location: SUNY Upstate Medical University
Campus Activities Building, Room 122
Syracuse, New York

Date: Tuesday, October 17, 2006

Time: Lunch – 11:45 AM
Presentation - Noon

Cost: \$10

An overview of current healthcare mechanical systems design practices with focus on hospital HVAC systems. Includes overall design goals, New York State codes and system design criteria. Specific considerations addressed in a discussion of the infectious isolation room HVAC design approach used at Upstate Medical University's Children's Hospital.

Reservations: Mike Hayes, 455-2000, mhayes@cscos.com, by October 13, 2006.

There will be one PDH offered for this presentation.

WEBSITE

There are a number of events, schedules and dates in this newsletter. Unfortunately the slowness of the printed word keeps it at least 3 weeks behind your receipt. To keep current right up to the event, go to our website at <http://www.cnype.org>. The site is as up to date as we can make it. **Check it today for current EXPO schedule and registration forms.**

SCHOLARSHIPS

Each year the Central New York Chapter of the New York State Society of Professional Engineers (CNYSSPE) awards scholarships to worthy High School Seniors who will be going to college in an engineering or technical discipline. These young people are judged by an impartial algorithm based on their academic background, scholastic achievements and SAT scores. We are actively soliciting donations from local firms and individuals to support the scholarship fund. Public attribution and appreciation will be publicly expressed in all news releases, The Technologist newsletter and at the annual "Celebration of Technology" dinner. For additional information please contact Carl Fahrenkrug, carl-f@microwavefilter.com, 438 4722

Thank you in advance for your generosity. Together we can encourage more Central New York young people to choose engineering as a career. Your donation check should be made out to the CNYSSPE Scholarship Fund and sent to:

CNYSSPE c/o Microwave Filter Company, Inc.
6743 Kinne Street
East Syracuse, New York 13057
ATTN: Nancy Young

THANK YOU

We continue to seek donations for your Chapter's Scholarship Fund. The fund is supported by contributions from firms and individuals who take an active interest in the future of our profession. Current contributors include:

- Associated Builders & Contractors
- Blasland, Bouck and Lee
- C&S Engineers Inc.
- Clough Harbour
- Klepper Hahn & Hyatt, PC
- Microwave Filter
- Ram-Tech
- Stearns & Wheeler
- Syracuse Research Corporation.
- Syracuse Thermal Products
- Watkins Environmental Sciences, P.E., P.C.
